We hope you'll plan to join us for our second Organ Benefit Concert Series at Edmonds United Methodist Church! Now that our Visser-Rowland organ has been successfully moved, installed, and paid for, we are pleased to announce the beginning of fundraising for Phase 2: the completion of this wonderful instrument. Phase 2 will add a new Swell Division of pipes, allowing for the presentation of a much greater range of organ literature, and for more sensitive accompaniment of various vocal groups. It will also repair and update the aging electrical system, which has undergone three moves.
